

REMARKS/ARGUMENTS

In response to the final Office Action of November 4, 2005, applicants have cancelled claim 23 without prejudice and have amended claim 27 to depend from claim 28.

Applicants note with appreciation the allowance of claims 14, 16 and 28. Since this amendment is believed to place the case in condition for allowance a favorable action is requested.

Respectfully submitted,

William D. Lee, Jr.
